Do you want to lead healthcare into the future?

Rural and urban underserved communities require healthcare workers who are well-prepared for team-based care and reflect the communities they serve.

To address this dire need, HRSA offers **AHEC Scholars**, a free 2-year **interprofessional certificate** program available to students in an HRSA-qualified health professions degree program or an allied health workforce degree program of at least 2 years.

Components of the Program:

Selective-entry,
cohort-based
2-year program

UW-designed class
taught in 8 sessions

Learn in clinical &
community-based
environments
